# ANNUAL REPORT

2020 - 2021

#### Dear Shareholders,

This year was an extraordinary year, the business environment was perhaps the most difficult in recent history, marked by weak or negative growth throughout the industry. It was a year in which each of us faced difficult personal challenges, and a staggering number of us lost loved ones. Watching events unfold throughout the year, we were keenly focused on what we, as a responsible organization, could do to serve. As a financial entity, we cannot control the external forces that shape the business climate. What we can control is how we manage our business and execute our strategy. On those terms, "Astoria Nidhi Ltd" results demonstrated the organisation's resilience and ability to produce a solid performance for the shareholders. That is why we are increasingly using our voice and our insights to advocate on behalf of clients for more sustainable and inclusive services. We're asking ourselves: How can we bring the voices of smaller and individual shareholders to the organisation they invested in? How can we help more people benefit from the long-term growth of leveraged loan markets?

"Astoria Nidhi Ltd" can help more and more people experience financial well-being only if we contribute to solutions for some of the most pressing issues our society faces today. This starts with serving all our stakeholders. The platform we've built over these years enabled us to help our clients navigate the turbulent markets and heightened risk that characterized the early part of the pandemic. We are trying to provide greater transparency and more information to shareholders, so they could better understand how we are adjusting our operations and how our business is performing.

In this remote work environment, technology has made it easier to connect with people in places around the world—a convenience that will no doubt remain longer term. It's often through a less structured conversation than one can have on a video call that we learn most about each other and experience intangibles, like individual perspectives, that are hard to see through a screen. These in-person conversations we have with all stakeholders are often the most fruitful in providing us with insights to better serve them

Investing in our business isn't only about developing products and solutions or enhancing our operations. Just as important is putting time, money and effort into our culture and our people. We designed our operating model at the beginning of the pandemic, which led to a growing organization that enabled us to adapt quickly as the world shifted to working remotely. This helped us to not miss a beat in serving our clients when they most needed our help.

Each year, I have the privilege of writing to you about "Astoria Nidhi's" outlook and plans for the future. And each year, I am more excited about the pace of change and size of opportunities that we are seeing. Just as "Astoria Nidhi" is a fiduciary to our clients, helping them invest for the future, I recognize many of you are investing in "Astoria" to achieve your long-term goals and I want to thank each and every one for your continued support. We will continue to live by our purpose so we can: help millions of people invest to build savings; make investing easier and more affordable; advancing in sustainable loan services; and contribute to a more resilient economy. And we will be guided by our culture and a set of newly enriched principles that reflect who we are today and in the future.

With warm Regards

James Joseph Chairman

## MANAGING DIRECTOR'S MESSAGE

Aspiring, Advancing, At once!

Dear Shareholders,

Another year has passed and it was one which filled with both tremendous growth and challenges at ASTORIA NIDHI LTD. The Covid-19 pandemic is still with us in the '21, and there has been no nation or economic sector that remained unaffected by it. The same is reflected in the banking sector of India as well.

On the economic perspective, the rotation of money and availability of fund has declined to a great extent due to fall in demand, lower incomes, and production shutdowns. Reports reflects that the impact is going to last for long. The banking sectors has a very important role of supporting firms and households during this period of lower revenues and incomes. However, the most important part that is likely to be impacted by the pandemic is the profitability and the credit management. The risk parameters were to be carefully analyzed as the contraction in economic activity would adversely affect the credit quality of the customers.

Many financial institutions couldn't withstand these effects and is in the brink of shutdown, and many have stopped lending which in turn has put the economy to a grave situation. However, without much hiccups and unlike our competitors, ASTORIA emerged to come out of it, with an excellent business growth and an AUM of almost 160 crores. This growth is primarily because of the strong credit policies, stringent fund management along with the solid customer support and trust which has been built over the years.

I am pleased to state that we have taken some strong and positive strides towards defining our priorities, the goals that we want to accomplish and how we will get there. The pandemic has on the positive note, catalyzed the importance of technological innovations in the banking sector and we at ASTORIA are also inclined to accelerate the digital transformation with the best fintech community.

Charles Schulz is quoted as saying "Don't worry about the world coming to an end today. It is already tomorrow in Australia." To me, this demonstrates a need for optimism in the present pandemic scenario where we have no control over what is going to happen in the next day. The output we have generated despite of these hurdles gives us confidence that we will emerge even stronger tomorrow.

I remain grateful for your unwavering support and continued trust in ASTORIA NIDHI LTD. I wish good health and prosperity to everyone.

**Best Regards** 

Josekutty Xavier Managing Director.

### INDEPENDENT AUDITOR'S REPORT

The Members of **M/S.ASTORIA NIDHI LIMITED** Kothamangalam.

## **Opinion**

We have audited the standalone financial statements of **ASTORIA NIDHI LIMITED**, ("the company") which comprise the balance sheet as at 31st March 2021, and the statement of profit and loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, changes in equity and its cash flows for the year ended on that date.

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information obtained at the date of this auditor's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements,
  whether due to fraud or error, design and perform audit procedures responsive to
  those risks, and obtain audit evidence that is sufficient and appropriate to provide
  a basis for our opinion. The risk of not detecting a material misstatement resulting
  from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant ASTORIA Nidhi Ltd

19

Annual Report 2020-2021

deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

#### Annexure B

The Annexure B referred to in our report to the members of M/s. ASTORIA NIDHI LIMITED (the Company') for the year ended on March 31, 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. ASTORIA NIDHI LIMITED CIN: U65900KL2014PLC036119, No. XXXI- 322A, Vilakkath Tower, Thankalam junction, Kothamangalam, Ernakulam, Kerala - 686691 as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of internal financial controls over financial reporting (the 'Guidance Note') and the standards on auditing (the 'Standards') issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was 24

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become

inadequate because of changes in conditions, or that the degree of compliance with the

policies or procedures may deteriorate.

**Opinion** 

In our opinion, the Company has, in all material respects, an adequate internal financial

control over financial reporting and such internal financial controls over financial reporting

were operating effectively as at March 31, 2021, based on the internal control over financial

reporting criteria established by the Company considering the essential components of

internal control stated in the guidance note issued by the ICAI.

## 1. Corporate Information.

KLM NIDHI LIMITED was incorporated on 7<sup>th</sup> February; 2014. Corporate Identification Number (CIN) is U65900KI2014PLC036119, Registration Number is 036119. The name of the Company was changed to ASTORIA NIDHI Limited vide Certificate of Incorporation dated 4th November 2020

## 2. Summary of Significant Accounting Polices

## A. Basis of Accounting

The financial statements (except cash flow statement) have been prepared under the historical cost convention on an accrual basis and in accordance with applicable Accounting Standards as specified in the Annexure to the Companies (Accounting Standards) Rules, 2006 and Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 of the Ministry of Corporate Affairs. The cash flow statement has been prepared in accordance with AS3 on "Cash flow statements" issued by the Institute of Chartered Accountants of India. Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the Accounting Policy hitherto in use.

#### B. Presentation and disclosure of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013. The Company has set a policy of classifying assets and liabilities into current and non-current portion based on the time frame of 12 months from the date of Balance Sheet.

#### C. Fixed Assets

### Tangible Assets (Property, Plant and Equipment)

Fixed Assets are stated at cost less accumulated depreciation. The cost includes purchase consideration, financing costs till commencement of commercial production and other directly attributable costs incurred to bring an asset to its working condition for its intended use. Subsidy received towards specific assets is reduced from the cost of fixed assets. Fixed assets taken on lease are capitalised.

## **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. The cost comprises purchase price, permissible borrowing cost and any cost directly attributable to bring the asset to its working condition for its intended use.

## D.Depreciation of fixed assets

Depreciation on fixed assets is calculated on Straight Line Methods as based on the useful lives prescribed under Schedule II to the Companies Act, 2013.

## **Intangible Assets**

They are amortized/ depleted over the useful life of the underlying assets and/ or as prescribedunder Accounting Standards.

## E. Foreign Currency Transaction.

The company has no foreign currency transaction during the year.

## F. Revenue Recognition

Income has been accounted on Accrual Basis.

### G. Employee Benefits.

Defined Contribution Schemes: Contribution to Provident Fund & ESI is made monthly to the Provident Fund Authorities.

#### H. Taxes on Income

Current tax is determined on the amount of tax payable in respect of taxable income for the year. Deferred Tax is recognized on timing differences, being difference between taxable income and the accounting income that originates in one year and reverses in another. Deferred Tax Assetsand liabilities are computed on the timing differences applying the tax rate and tax laws that havebeen enacted or substantively enacted by the Balance Sheet date. Deferred Tax Asset arising onaccount of unabsorbed depreciation or carry forward of business loss is recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

#### I.Segment Reporting.

Since the company operates in single segment, no further disclosure is required to be given as per AS-17 "Segment Reporting".
